

# MERAMEC

Instrument Transformer Co.

## THE INSTRUMENT CT SPECIALISTS

"No other CT manufacturer offers a 20 year guarantee on their products. Only Meramec offers this commitment to quality, performance and reliability. I guarantee it!"

**Nick Sanazaro**

President Meramec Instrument Transformer Co.

# Visit Booth 2135 and be Worry-Free for 20 years. **GUARANTEED.**

Visit the specialists from Meramec and learn why we are the only CT manufacturer in the industry that offers a 20-year guarantee.

Meramec's proprietary, high-grade steel ensures low core loss and high permeability— core to core and order to order.

In-oil or above-oil, in high temps or high humidity, Meramec's exclusive insulation system provides extra- long life.

Our premium materials and refined methods are not standard for all other manufacturers.

Every single Meramec CT is tested, proven and certified to the applicable standard.

**Why guarantee for 20 years?  
Because we can, and no one else does!**

Learn about our commitment to quality at [MeramecUSA.com/20YearGuarantee](http://MeramecUSA.com/20YearGuarantee)

To get the "no worry" guarantee, spec "Meramec".

**If you cannot make it to the IEEE Expo, view our website or call to schedule a visit to Meramec Instrument Transformer Co.**

The Meramec 20 Year Guarantee is exclusive to our Dry-Type and Oil-Type current transformers.

**DBCT**  
Internally Mounted Dry-Type Bushing Current Transformer

**OBCT**  
Internally Mounted Oil-Type Bushing Current Transformer
