

New Promotions at Meramec!

Meramec is proud to announce the recent promotion of Vinod George to Director of Manufacturing at Meramec Electrical Products. Vinod has been with Meramec for nearly 6 years as Quality Manager and has done an outstanding job guiding and continually improving key processes. Vinod has been an integral part in Meramec becoming ISO 9001:2008 Certified as of 2009, and his knowledge and experience have served as a vital contributor to Meramec's growth and development.

Among his many accomplishments, Vinod has been instrumental to the standardization of best practices, improvement of supplier relations, and ensuring customers receive the highest quality product on the market.

Vinod has over 17 years of experience in Manufacturing and Quality Systems with an extensive knowledge of Lean manufacturing and industrial engineering. He graduated from Arizona State University with his Master's Degree in Manufacturing and Engineering Technology.

We would also like to announce Lee Emery has accepted the position as interim Quality Manager. Lee has been with Meramec for 3 ½ years and has been a great asset to the quality department. Lee has been completely involved in the documented processes for production, red tags, audits and helping Meramec achieve and retain ISO status. Prior to joining Meramec, Lee provided Quality Department leadership at another major corporation and is a graduate of Saint Louis University.

On April 1, 2014, both Vinod and Lee assumed their new positions.

Please join us in congratulating Vinod and Lee on their new positions and welcome them as they help to continue moving Meramec forward.
