

# RESPONSIVE

**Meramec's 24/7 Customer and Technical Support  
Means Less Downtime and No Surprises for You.**

Whether you're working in emergency mode, completing upgrades, or installing new system equipment, you don't want to risk your reputation with lengthy downtime.

Meramec provides a higher level of support for you before, during, and after your CT purchase. Our industry leading Customer Service and Technical Support are wound into the core of every Meramec Current Transformer.

**For immediate action, we're the ones to call.**

**MERAMEC**
